Event Description

This unique event will take place entirely inside of Albuquerque Academy's grounds. This "mini" triathlon will have a Le Mans 50 yard running start to your bike then followed by a 12k mountain bike ride, followed by a 5K trail run, and will finish with a .4K swim at the Academy's pools. The course is fun and non-technical so that even inexperienced racers can participate. If you have always wanted to try something new and challenging, this is your chance!

We are offering a team category for family fun or those who don't wish to do all three events. Teams can consist of two or three people and can be coed.

Race bags include a race T-shirt and other goodies.

After the race, shower at the Academy or JCC (remember a towel), and refuel at the JCC awards ceremony down the street. Complimentary snacks will be served and the JCC café will be open. Those attending will receive a FREE week pass to the JCC fitness center and a chance to win door prizes!
